LOGNOTE -- Chief, Operations Group, 22 April 1986

STAT

2. [] I met today with Bangkok Bureau Chief [].
After discussing several administrative issues, he brought up the
topic of [] award nomination and his question about
promoting [] to FBN 12.

STAT

STAT

STAT

On the award nomination, it was agreed that the submission he sent
in can stand on its own given the complexity of things for which
[] is being commended in addition to the computer program he
drafted for use in the cruising surveys. He said he had nothing
to add and would like to see the nomination go to the CSP.
